

ELEMENTARY

We have compiled some beverages for you to enjoy with our food. Although some may challenge the regular drinker, we thought it would be great to showcase the more unusual liquids on offer, not only locally, but globally as well. If you're not a drinker, we have you covered with low or alcohol-free drinks.

this selection of drinks, is from mainly independent makers / businesses Like us.

Afterall, we all enjoy a good tippie, alcoholic or not!

Enjoy
